**1: Previewing the Reflection**

Independently write your responses to the questions below in multiple and complete sentences. Don't worry about answering these questions incorrectly — there is no such thing! You should answer as honestly as possible. After you have written your responses, join your class in a discussion of these questions. Together you will share what you already know about some of the major themes in the Reflection and get an idea of some of the things you might learn from it.
